

INVITATION

Wound Hygiene™ Webinar Series

Defying Hard to Heal Wounds

Developed and presented by Terry Swanson NPWM, MHSc, FAWMA, FMACNP
Nurse Practitioner Wound Management and co-author of the Wound Hygiene
International Consensus Document

Commencing 28 May 2020

This series introduces the principles of Wound Hygiene™ and the integration of these concepts into daily clinical practice to manage hard to heal wounds. Each module will focus on practical ways to implement the steps identified in the Wound Hygiene Consensus Document.

Module 1: Rationale for Wound Hygiene™	28 May 2020, 6pm –7pm
Module 2: Therapeutic Wound Cleansing	11 June 2020, 6pm –7pm
Module 3: Debridement	25 June 2020, 6pm –7pm
Module 4: Refashioning the Wound Edge	9 July 2020, 6pm –7pm
Module 5: Proactive Wound Dressing Management	23 July 2020, 6pm –7pm
Module 6: Implementing the Concepts into Practice	6 August 2020, 6pm –7pm

Please note, sessions will commence at 6pm AEST
