Practical Diabetes for Pharmacy Assistants eLearning program

Price: \$40 or **ask your Ascensia Territory Manager how to access free of charge**
Time to complete: 2 hours | Receive a Certificate of Completion

This **interactive eLearning program** will:

- ✓ Provide you with a basic understanding of diabetes and how it is managed
- ✓ Enable you in your role as a pharmacy assistant to improve the support you provide to the person living with diabetes
- ✓ Help you to have a supportive conversation and know when to refer the person to the Pharmacist
